

CRAFT BEARINGS

Quality Minded

CRAFT BEARINGS

Produces and supplies comprehensive range of industrial and automotive bearings globally

ISO 9001
BUREAU VERITAS
Certification

www.craft-bearings.com

COMPETITIVE & CORRECT PRICE

- We explore the market in order to deliver competitive pricing
- We analyze commodity trends & take part in raw materials purchasing
- We work with low margins, focusing on high turnovers

QUALITY & GUARANTEES

- Team develops production processes in our own & partner's factories
Manufacturing according to our strict engineering drawings
- Production Part Approval Process (PPAP)
 - Authorized engineering change number (ECN)
 - Process is defined & documented
 - Process is monitored, analyzed, and improved based on data.
 - Design record
- We have modern laboratory and engineering team in Lithuania
- ISO certified
Issue quality certificates based on test results
- Acceptable quality limit (AQL)
- We give warranty

WAREHOUSE & STOCK

We have warehousing system

- Lithuania HQ
- Ukraine
- Poland
- Russia
- Panama
- Consignment worldwide

LABORATORY

- Dimensional, form & running accuracy
- Raceway waviness
- Surface roughness
- Radial and Axial clearance
- Hardness
- Noise and Vibration
- Grease leakage & Dustproofing
- Bearing Life
- Metal chemical composition

REPUTATION & PROMINENCE

- We are one of the strongest in Russia
- Various recommendations from across the Globe
- Constant participation in global exhibitions
- OEM supplier
- Continuous participation in autosport
Dakar team, FIA World Rally, Porsche Carrera CUP
- Work with more than 80 countries World Wide

ASSORTMENT

- Wide range of Industrial and Automotive bearings
- 8000 product positions
- Expanding range to new types & industries
- 500 new positions constantly added annually
